

BIGTOOLRACK®

THE ULTIMATE ATTACHMENT

BTR Pro Series

When nothing but the best will do,
then you need our Flagship Rack.

BTR ULTIMATE RACK

This rack is the Ultimate Tractor
Attachment.

BigToolRack XP

Not to big, not to small. Perfect for
tractors, UTVs, and mowers.

“

The Bigtoolrack is better than my Swiss
army knife.

Thanks for making it.

Greg

“

Just have to say that we love our
BigToolRack!

It really is a tremendous benefit we are
getting more out of our Kubota RTV with
the Bigtoolrack. A big hit! Makes the job
easier! Time saver!

From a Very Satisfied Customer!

“

I purchased the Big Tool Rack that was
mentioned in the Newsletter. It is a great
unit and really does make my tractor (60
HP Kioti) more usable. The owner of the
company is very helpful and has gone
beyond what was expected to ensure I was
happy with my purchase. I recommend
this product to all tractor owners!

BIGTOOLRACK IS A VERSATILE TRACTOR ATTACHMENT THAT ADDS MUCH NEEDED FEATURES TO YOUR
TRACTOR. COUNTERWEIGHT, ABILITY TO TOW A TRAILER, AS WELL AS CARRY ALL OF YOUR TOOLS!

BigToolRack XP Product Details & What's Included:

- ▶ Rack Dimensions L: 43" x W: 46" H 38"
- ▶ Weight 109 LBS for the 3 point model and 75 LBS for the 2 inch receiver model.
- ▶ Bed is made of a durable rotomolded HDPE double wall plastic that is built to last and will never rust, supporting spine and side compartment with cup holder, beavertail end. The body also has drain holes in it so it will not fill with water.
- ▶ Powder Coat Finish on yellow upright bar that is setup to accept many of our BigToolRack Accessories
- ▶ This Rack has a max cargo capacity of 600 LBS with our 3 point hitch setup or a 100 LBS capacity with our 2 inch receiver setup. Be sure to check your owner's manual to see what your vehicle is rated for, you are never to exceed your vehicles rating.
- ▶ 3PT Hitch connector comes standard with our suitcase weight bracket that holds up to 6-42 LB suitcase weights for added counterweight. Weights NOT INCLUDED. Why waste money on a useless weight box! Get more out of your tractor!
- ▶ 3PT model comes standard with our tow feature gives you the ability to tow trailers with low tongue weight around with your tractor like a log splitter or small utility trailer.

**Attaching Parts Tools and Accessories Not Included*
